

Amendments to the Claims

This listing of claims will replace all prior versions, and listings, of claims in the application:

Listing of Claims

1-18. (Cancelled)

19. (Currently amended) A composition for use in a cardiovascular procedure comprising a stent with a therapeutically effective amount of a botulinum neurotoxin attached or embedded therein wherein the botulinum neurotoxin elutes from the stent.

20. (Original) The composition of Claim 19 wherein the botulinum toxin is botulinum toxin type A.

21. (Cancelled)

22. (Previously presented) The composition of claim 19 wherein the botulinum toxin is selected from the group consisting of botulinum toxins A, B, C, D, E, F and G.

23. (Currently amended) A self-expanding stent for use in a cardiovascular procedure comprising a therapeutically effective amount of a botulinum neurotoxin attached or embedded therein.

24. (Currently amended) An angioplasty balloon for use in a cardiovascular procedure comprising a therapeutically effective amount of a botulinum neurotoxin attached or embedded therein.

25. (Cancelled)
